RE: Girls State/Boys State/Girls Career Institute

Once again, the Guidance Department is involved in the process of making recommendations for Boys State, Girls State and Girls Career Institute.

The American Legion Ladies Auxiliary Post #279 sponsors Girls State. The purpose of Girls State is to provide citizenship training for girls of high school age; to afford them an opportunity to live together as self-governing citizens; to inform them about the duties, privileges, rights and responsibilities of American citizenship. See more information at www.alaforveterans.org.

The purpose of Girls Career Institute sponsored by the Suburban Women's Club is diverse. Students will be given a taste of college dorm life and will live in Douglass College residence halls and eat in the college cafeteria. They will participate in seminars on career choices that are open to women of today and listen to speakers on timely topics. See more information at www.njsfwc.org.

The American Legion, Post #242 and Post #450 sponsor Boys State. The purpose of Boys State is to develop good citizens of the United States by inspiring the youth of New Jersey to take a more active and intelligent interest in the operation of our state and nation and the privileges and responsibilities of citizenship. See more information at www.aljbs.org.

If you wish to be considered for any of these honors, please complete the bottom portion of this letter and return it to the Guidance Office on or before **Monday, January 31, 2022**.

Copies of this form are available in the Guidance Office.

.....

I am interested in Girls State/Girls Career Institute/Boys State and wish to be considered as an applicant.
